

A Quod profile

# Eleanor Wright

## Consultant

BSc (Hons), MSc, AIEMA

[eleanor.wright@quod.com](mailto:eleanor.wright@quod.com)

### Areas of expertise

Eleanor joined Quod as an Assistant Consultant in April 2021. She is involved in the coordination and management of EIAs as well as the preparation of Environmental Statements and GIS mapping. In addition, she is fast gaining skills in policy analysis and prepares Screening Letters, Scoping Reports and Construction Environmental Management Plans (CEMPs) for a variety of sites with complex environmental considerations. She is an Associate member of the Institute of Environmental Management and Assessment (IEMA).

### Key experience

**Goods Yard, LB Haringey (Tottenham Hotspur FC)** – Assisted the EIA project lead for a residential-led development of 330 units with associated non-residential floorspace and conversion of a non-listed building on the construction compound site of the White Hart Lane Stadium redevelopment project in Tottenham.

**Avonmouth, Severnside (Equation Properties)** - EIA co-ordination and preparation of the Environmental Statement for an employment logistics development. Involved in liaison between Quod Planning and Environmental Planning teams to deliver a technically robust ES with environmental mitigation and monitoring at the forefront.

**Land at Junction 10, M40 (Albion Land)** – Assisted the EIA project lead with the co-ordination and preparation of an Environmental Statement and Outline CEMP for a commercial storage and distribution development providing up to circa 265,500 sqm of new storage and distribution floorspace in Cherwell District.

**Peninsula Gardens, RB Greenwich (London Square)** - EIA co-ordination and drafting of the Environmental Statement and Framework CEMP associated with the comprehensive residential-led development of the existing brownfield site to provide 1,290
